

## Curriculum Night

We are looking forward to seeing you this **Thursday, September 28th at 5:00 pm** for our Annual Curriculum Night. We will also have a special Family Workshop hosted by our partner The Human Root. The purpose of this evening is for parents/guardians to gain an insight into what your child will be learning this year. You will become familiar with your child's International Baccalaureate (IB) curriculum, as well as an overview of your child's daily routines, homework expectations, an overview of the major curricular components, special activities and projects, and how parents can support the child's teacher/classroom. *You will have an opportunity to discuss your individualized child's progress with teachers at Parent-Teacher Conferences on November 9th and 10th. Please reach out to your child's grade team leader or guidance counselor if you'd like to set up a meeting before then.*

Upon arrival you will go directly to one of the following classrooms...
