Parent Consent for Participation in Afterschool Evaluation Data Collection
(SONYC and COMPASS High Participants Only)

Dear Parent:

Your child is enrolled in an afterschool program that is supported by the Department of Youth and Community Development (DYCD). American Institutes for Research (AIR) is doing a study of the afterschool programs that are part of COMPASS. In order to monitor the effectiveness of these programs and ensure their future success, DYCD, and its evaluation partner AIR, are collecting information about participants and their experiences in the afterschool program, specifically around youth leadership development. This project has been approved by the Department of Education (DOE). AIR will visit some of the afterschool programs and survey its staff as well as youth and their families to learn more about DYCD afterschool programs and how they can be improved.

We ask permission from parents to conduct the following study activities:

- Administer 10-minute surveys to children asking about the DYCD afterschool program in which they participate and their perceptions of youth leadership development in the afterschool program
- Invite children to attend 45-minute focus group and/or interview about the DYCD afterschool program in which they participate, focused on their experience in the afterschool program and their perceptions of youth leadership development

AIR may also collect and analyze of your child’s school records from New York City Department of Education, including demographic data, school day attendance, disciplinary referrals, grade promotion, and academic performance data (e.g., test scores and grades). These data are anonymous and completely confidential. The data will be combined to the school-level and we will not be able to link this school information to individual children or their families.

Any information we collect will be used only to assess the DYCD afterschool program and will not be made public. The only people who will have access to this information are members of the AIR evaluation team. Choosing not to participate in the evaluation will not affect your child in school, in the afterschool program, or in any other way. We will not use your name or your child's name in any report. There are no known risks to participating in this study. Participation is voluntary and participants may withdraw at any time. Please contact Jessica Newman by phone (312-588-7341) or email (jnewman@air.org) with questions about the study.

If you have concerns or questions about your child’s rights as a participant, please contact AIR’s Institutional Review Board (which is responsible for the protection of project participants) at IRB@air.org, toll free at 1-800-634-0797, or c/o IRB, 1000 Thomas Jefferson St. NW, Washington, DC 20007.
